Sir:

The Applicant requests consideration of the information listed on attached Form PTO-1449 which was required by the Examiner in item 2 on page 2 of the Office Action dated November 12, 2004. The information listed on the attached Form PTO-1449 is:

1. Evidence, literature, and/or any other relevant material relating to a system for sending actual browsers from broadcast transmitters to a receiving apparatus, such as described on page 5, lines 6-19 of the substitute specification; and
2. Evidence, literature, and/or any other relevant material relating to the multiplexing and de-multiplexing features of the prior art, such as described on page 4, lines 22-25 of the specification and page 5, lines 19-23 of the substitute specification (i.e., multiplexing service content with browser content into a digital bit stream).

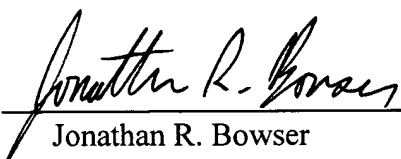

As indicated in item 6 of the Office Action, the fee and certification requirements of 37 C.F.R. 1.97 were waived for the submission of the information listed on the attached Form PTO-

1449. Accordingly, the requisite fee and certifications under 37 C.F.R. 1.97 are not provided by the Applicant.

References "AO" and "AP" are submitted in the Japanese language together with an English language translation thereof, and therefore, the Applicant submits that a concise statement of the relevance of references "AO" and "AP" has been provided.

Respectfully submitted,

Mitsuteru KATAOKA
